#1) Avoiding \$100,000 Mistakes When Leasing Space

Before signing a lease, make sure you have determined the following:

(Not considering any of these can result in a \$100,000 mistake)

- A. Your ______, why are you moving in the first place?
- B. Required ______ to attain those goals, not ______.
- C. _____ available, know your neighbors
- D. Hire a ______ because you are NOT one.
- E. Determine your ______ needs based on F/O costs, dental and technology equipment costs, furniture and business systems costs, AND non-capital costs.
- F. Get your financing plan in place and make sure you are comfortable with the ______ .

CASE STUDY on Lease Space:

#2) Avoiding \$100,000 Mistakes Buying a Condo Shell

All of the rules above apply to buying a condominium plus the following:

A. Determine what you are buying, ______ only, or ______ shell and interior finish out. (______ is optimal)

B. Clarify what is included if shell only, _____,

_____, _____ service, ______.

C. Determine if parking requirements are available, KNOW your neighbors

PRINT This Page * PRINT This Page * PRINT This Page

D. Financing can be tricky on condominiums, have a ______ and know what your ______ will be before buying.

CASE STUDY on Condo:

#3) Avoiding \$100,000 Mistakes When Buying Land

As with a lease space there are many potential \$100,000 mistakes to be made buying land and building an office, only MORE:

- A. Start with ______ in mind, try not to become a ______.
- B. Determine amount of land required, _____ times the ______ of building.
- C. Determine if land is affordable, \$_____ to \$_____ per square foot.
- D. Know the ______ and _____ requirements
- E. Hire your ______ before buying the land. Who do I need on it?
- F. Determine the ______ again based on all of the components listed above.
- G. Have a ______ in place and make sure you are comfortable with the ______.

CASE STUDY on Land:
